

Lost and Found

A Journey of Healing

Starting

Introductions

Impacts of Dams

Downstream Impacts

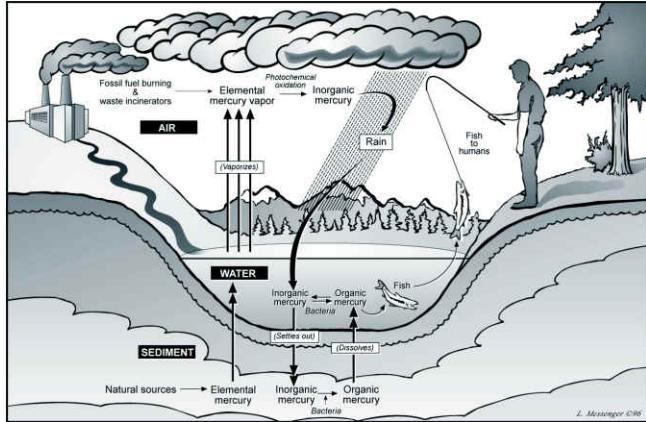

reduced biodiversity; poor water quality; lower crop production; decreased fish populations

Dam

blocked fish migration; disrupted flow of sediments and water; hazards from ageing dams

Reservoir

contributes to global warming; displaces communities; increases water-borne illnesses; triggers earthquakes

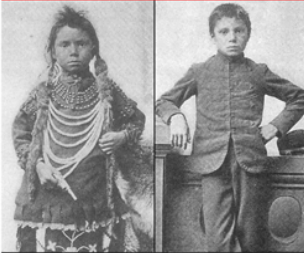

Indian Act 1876

Cultural Genocide

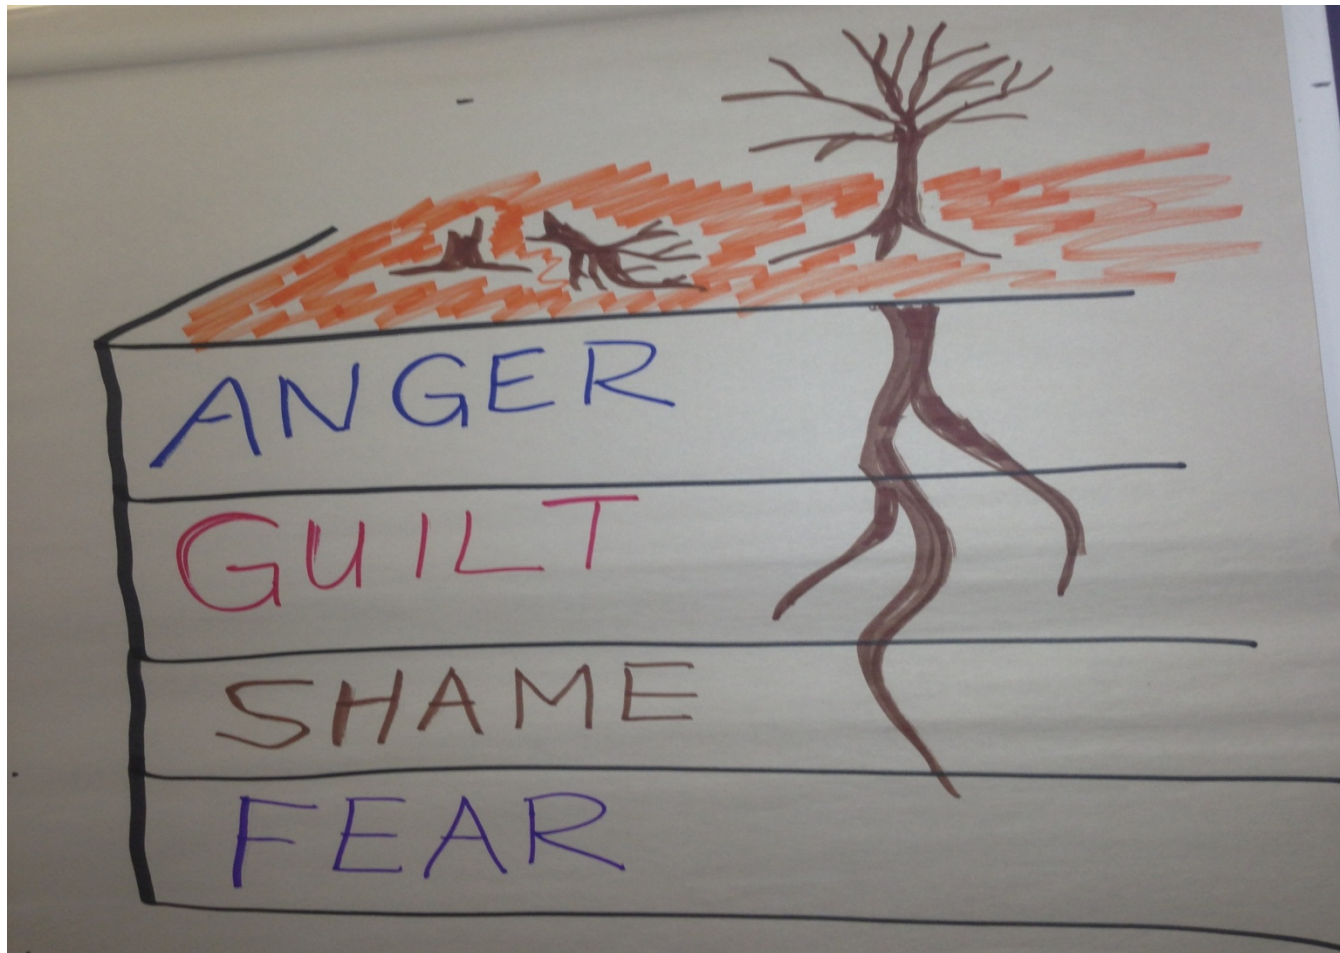

Before & After Photo of a Young Cree Boy Forced to Attend A Canadian "Indian School" (1910)

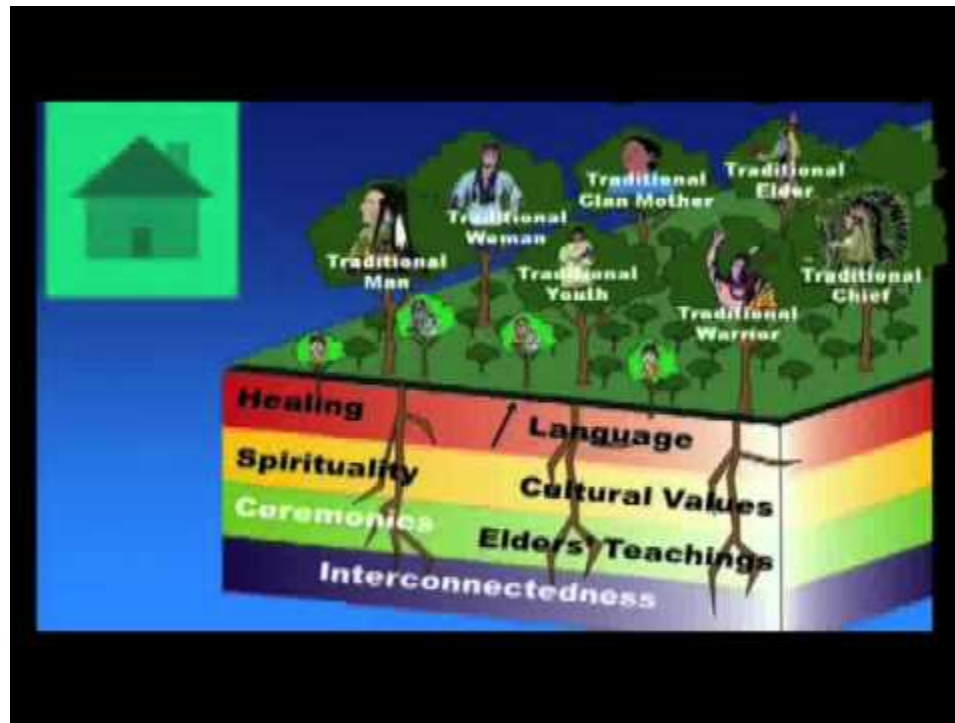

"A great general has said that the only good Indian is a dead one... In a sense, I agree with the sentiment... all the Indian there is in the race should be dead. Kill the Indian in him, and save the man."

Richard Pratt
Founder of Carlisle Indian Industrial School
